RE: Conditional Use Permit for 2020 Vilas Avenue, Plan Commission Meeting of 8/10/20

I live at 2015 Adams Street. The proposed project at 2020 Vilas Avenue is across the alley from our property. The architectural design and scale of the project will be characteristic of the area. I am in support of the improvements by the property owners and hope that the Plan Commission will approve their conditional use application.
Everything they do is first rate. This will be no exception.
