It looks like the strikethrough formatting may not have come through in this email. The amendment is to strike the portion in red: , and that visitors to the portable shelter community/living space shall not be permitted to camp on- site or stay overnight in the portable shelter community

<bcc to all alders>

Good evening, colleagues.

Please find the language of a proposed amendment to the substitute for item #19 for section 28.151 (Tiny House Village) as follows:

(h)The maximum occupancy of any portable shelter unit located on the site shall not exceed 2 persons, and that visitors to the portable shelter community/living space shall not be permitted to camp on- site or stay overnight in the portable shelter community.
