I am highly unlikely to make tomorrow's meeting, as I am on vacation with my family, so am providing some comments here.

Re: Policy 7 - I support the proposed edit to the Policy Manual.

Re: Policy 8 - I agree that we can't just extend the period without significant public comment opportunity. Do we have any sense of the number of properties that might be affected by such a change?

Re: Clarification 2 - agree with staff suggestion to remove from guidelines.

Re: Clarification 9 - I don't have an opinion on this. Do we have any examples of requests that have come in that could help us think through the options?

Re: Clarification 11 - agree with staff recommendation.

Re: Draft historic district design guidelines - agree with all staff recommendations.

Thanks for all your work on this!!

Follow-up: I assume you all saw the agenda and staff memos. We'll be meeting next week. Based on feedback and talking to Heather, it will be helpful to review memo and review the public meeting work staff has put together.
