Mayor and Alders:

As a long-time resident, employee and business owner in District 9, I want to express my gratitude to Alder Paul Skidmore for his years of service. I have appreciated the honest and open discussions that we have had during this time.

His knowledge of the issues has provided our district with a strong advocate on the Common Council. His understanding of City government has been invaluable in dealings with various City departments and committees including ALRC, Assessor, Clerk, Engineering, MPD, Parks, Planning and UDC. We will miss that connection.

Thank you, Paul. We look forward to seeing you in the neighborhood.
