Subject: Keep a grocery store in South Madison

All -
I want to voice my concern with the news of the Pick and Save being removed from Park St. This is a huge concern for me because 1) this is my primary grocery store, and 2) there are limited options of full service grocery stores in the area.
Nobody wants a food desert, especially the residents it affects. Please consider prioritizing development of a full service grocery store on the Truman Olson site, or somewhere close by to replace the loss of Pick and Save.
If you have any questions about my request, please let me know.
Thank you,
Stuart Cotter
