---

Meghan,

Mall Maintenance issues regarding outdoor storage for sidewalk cafes:

- All items must be secured and stacked neatly into small areas (8 ft X 8 ft)
- Table and Chairs cannot be put out before 10am (coffee shops would be exceptions). Blowing leaves and debris takes longer with tables and chairs in the way of cleaning operations.
- Items that are stored outside can possibly get dirty from powerwashing and cleaning sidewalks. Mall Maintenance will do their best to not get the items dirty, but are not responsible for cleaning the items that may get dirty/damaged from sidewalk cleaning operations.
- Trash and debris must be cleaned up in the café area, and businesses need to supply and maintain trash cans for café use.

Good luck at the meeting!

Hello Meghan,

I will not be able to make the meeting, but will give you some Mall Concourse Maintenance talking points by late Tuesday or early Wednesday.

**Subject:** Wednesday, 10/26 VOC Meeting

Hello,

I hope you are well. We are going to be discussing overnight storage for Sidewalk Cafes and feedback from this year. I understand that Alder Verveer is going to ask to make a change to allow this in the future. Are you able to attend the conversation at the VOC meeting on 10/26 5p-7p. Below is the agenda info. I can send you the link if you are able to attend. If you are not able to attend can you provide some talking points from the Mall perspective of positives and negatives and where you all stand after this year's operations? If you cannot attend can you provide me with those talking points by early Wednesday and I will share with the committee?

Thanks and sorry for the short notice!
