Dear Committee,

I am here today to support the Civilian Oversight Committee which it will be a set of 9 organizations, the organization I will really like for you to consider is Voces de la Frontera-Madison, as a member of Voces de La Frontera I have witness the hard work of this organizers statewide as well the struggle of members.

Voces is an organization that supports immigrants and the working class. We have created relationships with Police departments throughout the State since 2007 keeping our communities protected as much as possible, but we have also seen Departments like Waukesha and Sheboygan turning their back to our communities bringing the 287g program into their departments making this a direct attack and lack of protection for many kids and families. That is not acceptable.

As a member I know Voces will continue to work hard to keep Madison residents protected and keep families together. Thank you for your commitment to make Madison safe for everyone.

Thank you - Kelly Parks Snider
