Hello,

My name is Jennifer Summ, I am a resident of Madison, WI. Growing up here I was proud when people would say we were a liberal and progressive stronghold in the state of WI. "20 miles surrounded by reality", that's what I would hear people say when growing up here. Unfortunately, that illusion, that pride in Madison has failed, I see that Madison is little better than the rest of our segregated state.

I ask you to help bring back the pride that Madison used to once hold to. Use this committee to enact civilian oversight exactly as written in the Ad Hoc Committee recommendations. Let the Independent Monitor be guided by the citizens of Madison, do not let this position be guided with conflicts of interest from MPD.

Those that uphold the law should be held to the highest standards of the law, let the Independent Monitor hold our police force to higher standards of conduct. This is the true way for the community to start to build trust in the police as a whole.

Thank you,
Jennifer Summ
