Dear Members of the Civilian Oversight Board,
This letter is written to you because of my concerns over violence in Madison, the political and racial discrimination. Act to clean it up!

You must be reminded:
1) that the Madison capitol is a right to every Wisco,
2) that the Constitution and other laws DO NOT establish employment quotas based on race,
3) that you provide unlawful protection of political groups such as antifa and BLM to burn and destroy personal property, and authorize police to stand down.

While you have not addressed those issues in Madison, you allowed the angry birds loose and angered the rest of the Wisconsinites. This type of kaos is inexcusable. This is your fault for not following the law to bring all to equal protection/safety and justice. Instead of controlling "the fire," the situation is "out of control with comtempt and division on all sides. Bring yourselves back to the law. It's your only way out of this dilemma.

Thank you for your time and consideration of these matters. Until you get your act together, I will continue to appear in Madison against you, in peaceful protest as 1 Amendment clearly states. You are NOT above the law!

Respectfully,
Marie Rajkovacz
Wisconsinite
