Good evening,

I am applying to adjust our liquor license to 12 AM, midnight, from 10 PM. Most of our guests that dine with us are celebrating special occasions and we would like to ensure that we can accommodate their orders throughout their meal. We currently stop seating at 10PM on Friday and Saturday and our average table time is around 1.5 to 2 hours. Our normal hours of operation has a last seating of 10pm during the week and 11pm on Friday and Saturday though we have slightly altered hours at the moment to stop seating an hour earlier than those normal times.

Thank you for your time and consideration
Robert Cuba
General Manager
