Dear City Council Alders & Mayor Rhodes-Conway,

It is critical to support the hard work, leadership, and recommendations of the Ad Hoc Committee. Please support their efforts.

I am writing to ask you to protect the Ad Hoc Committee's recommendation for civilian oversight by seeking to eliminate #1 and #3 from Alder Carter's resolution #61015. Please, please, please continue to support the work of the Alder Work Group consisting of chair Alder Moreland, Alder Kemble and Alder Bidar.

The City funded a study, and now needs to follow through and support, not undo, the Ad Hoc Committee recommendations for civilian oversight. The Alder Work Group to Develop Logistics and Operational Details for MPD Independent Civilian Oversight (Alder Work Group for short), is the oversight group that would create as means to protect the Ad Hoc Committee's recommendation for powerful, equitable, racially, economically and experientially diverse participation and solutions.

Thank you for taking action on removing item #1 and item #3 from Resolution 61015.

Sincerely,
Ariel Kaufman
