To whom it may concern;

As a Madison community member I, Megan Norris, support & require the continued development and near-future deployment of Independent Civilian Oversight of the Madison Police Department.

This oversight will help ensure that the safety officers employed and funded via taxpayer dollars are accountable to their employers, the residents of Madison. I also request that the oversight mechanism be implemented **EXACTLY AS WRITTEN** in the Ad Hoc Committee recommendations.

Thank you very much for your time.

Sincerely,

Megan Norris
