**Subject:** 809 Williamson Street, Oct 15 Plan Commission Agenda Item # 14

As a resident-owner at 808 Williamson, Unit 301, I share Mr. Bridgeford's concerns ... he states them (copied below) much more succinctly than I could.

The area parking situation is horrid, and the proposed development would only exacerbate the problem. Williamson is a very noisy street 24/7 - and Bridgeford's recommendations on this point sound (note: my unit fronts on Williamson).

Please do consider the interests of those most directly affected by this proposal.

Thank you,

Mark Dudzik
