

Certificate of Appropriateness for 1610 Chadbourne Ave.

May 4, 2020

Proposed Work

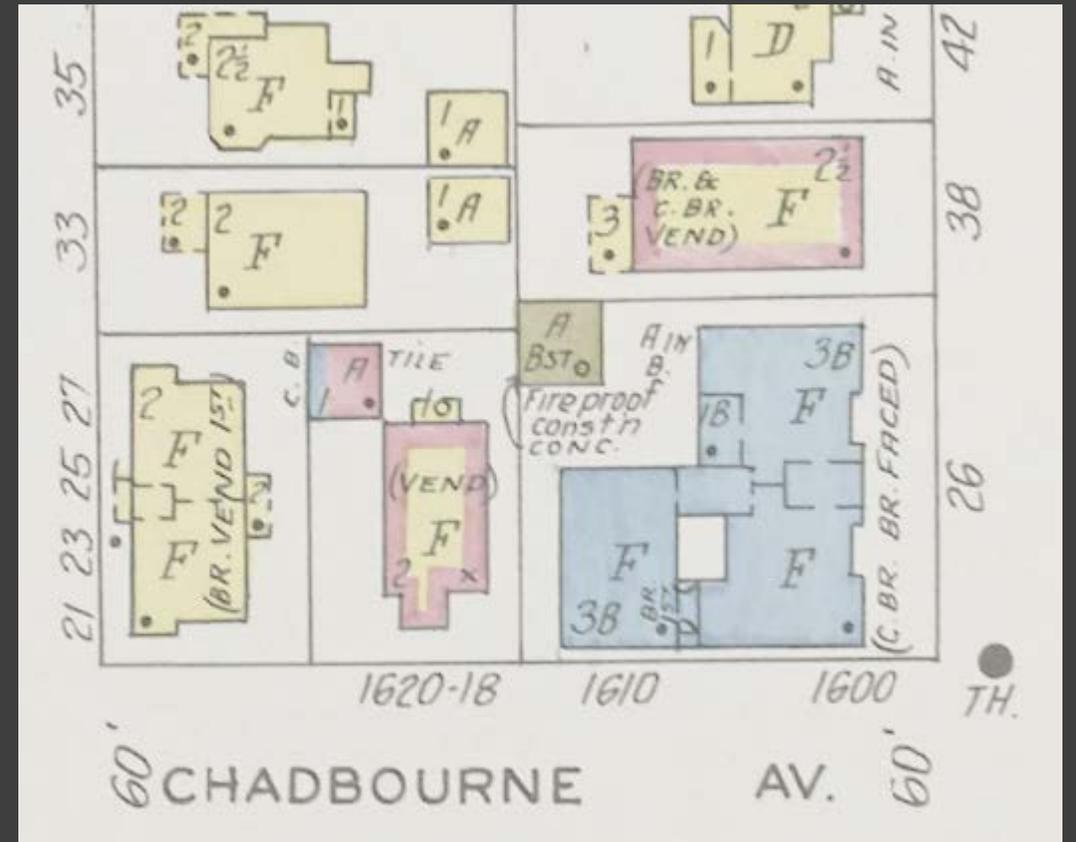

- Demolish existing concrete block garage
- Resurface parking lot

We would like to remove these garage walls and roof in order to open up the area behind the property and replace the existing concrete.

History of the Property

- No date of construction for garage
- Appears in 1942 Sanborn Map

Applicable Standards

41.18(2) Demolition or Removal

41.24(6)(g) Parking Lots

Comments

- Alder Bidar approves of the proposal

Staff Recommendation

Staff believes that the standards for granting a Certificate of Appropriateness are met and recommends the Landmarks Commission approve the request.
