Subject: Tree Pruning Notice

Caution: This email was sent from an external source. Avoid unknown links and attachments.

Hello,

I received a Tree Pruning Notice from MGE about the Subcommittee meeting on May 17 at 4:30pm.

I am unable to attend, but **would like to know if Hickory and Emerson Streets in zip code 53715 are on the list for tree pruning in 2022/2023.**

I hope so because the ash trees are branching out near the power lines. This section of the streets are also where the transformer is located.

Sincerely,

Charlene

1102 Hickory St. 53715
