2020 Census – Internet Access Sites

These sites are available for residents without internet access.

The 2020 Census includes an internet response option, along with phone and paper response options. Residents without internet access can use computers at these locations to complete the form. While it is recommended you bring your 2020 census invitation letter with you, it is not required to complete the census. Remember to include everyone living in the home on April 1, 2020 when you complete the census.
