Hello,

I am writing in opposition to the proposed I-39/90/94 plan.

The residents that built their homes in this area will be greatly impacted. They have already been forced to deal with the negative consequences of the Meadowlands apartments.

The traffic near Milwaukee Street/Sprecher/Cottage Grove Rd has increased and driving has become dangerous due to drivers total disregard for the laws of the road and our community in general.

Please consider the human impacts, when making your decisions.

Thank you,

Kathy Viets
