Subject: Replace info for ARLC meeting tonight

Date: Wednesday, September 29, 2021 3:28:00 PM

Attachments: New.update.docx

Caution: This email was sent from an external source. Avoid unknown links and attachments.

To the City Clerks,

I have a meeting tonight for the ALRC, as we are a new applicate. I have an updated Supplemental document I would like to replace. The old one is not complete, so please delete the old one and replace with this new one.

Classic Arcade LLC DBA Aftershock Arcade File # 67109 Agenda #5

Please replace the SUPPLEMETAL.PDF with this new one, attached as NEW.UPDATE

Thanks, Chris

Sample Menu

For Aftershock's drink menu, we will be concentrating on Beer, Liquor and cocktails. Below is a brief description of what we plan on doing in each category:

<u>Beer</u>

We will be running a digital menu program called "Digital Pour" that features all of our tap lines. This info will appear on one TV screen and show the style, price and volume. Since we are neighbors with *Parched Eagle*, we have made a conscience choice to have a limited tap system to only 8 beers.

The remaining beer selection will be mostly 12oz and 16oz cans that will be poured into glasses for the customer. For a fun promotion, we will also be giving the customers "can coozies," as something for them to take home.

<u>Liquor</u>

For our expanded liquor menu, we would offer a 3 tired color system of prices: Rail (\$4.00), Call (\$6.00) and Premium (\$8 and above). The 3 colors system will be for our all the liquor we offer to keep it simple for our customers. We would carry every local and Wisconsin distiller that is currently in the market as well.

We would also create 8 to 10 signature cocktails, depending on the featured liquor brand of the month. Specialty cocktails would include coffee drinks, slushie blends, classic cocktails and high tier liquors served on the rocks.

1444 East Washington Ave, Suite #102

- Current site of Maria's Bar
- Yellow blocks represent Arcade Machines

East Washington Ave

1. Executive Summary

This is a proposal for *Aftershock Classic Arcade*, a fully licensed bar and playable Arcade Museum that features over 25 classic games. The 800 sq. ft bar will serve beer, liquor, wine and light snacks, just like a normal tavern. All games are set to collect coins or dollars for play.

Aftershock Classic Arcade will also serve as a storefront for the resale of refurbished games for the home market, as well as offer repair services. There is a large demand for working arcade games, but no "brick and mortar" place to shop and purchase classic games.

With Arcade games as our focus, we will offer everything a traditional Madison bar has to offer, plus the revenue generated from 25 games.

2. Location

We have a lease drawn for 1444 East Washington Ave, located on the near downtown/eastside of Madison. This location was formerly known as *Maria's Bar*. Over the last 3 years we have been fortunate enough to know and work with landlord, who also owned and operated the *Art In Bar*. This past January he retired, giving us a turnkey functioning bar, complete with an empty music hall that could fit all our games. There is a total of 68 parking spots for the business and it is located on one of the busiest streets in Madison.
