

APPOINTING NEW MEMBERS WHEN PCOB MEMBER TERMS END

MGO 5.20 provides for three processes for appointing new PCOB members:

1. **Community-Based Organization Nominations** Jointly Appointed by the Mayor and Common Council (9 members)
2. **Mayoral Appointees** (1 voting member, 1st alternate)
3. **Council Appointees** (1 voting member, 2nd alternate)

Five PCOB members' terms will expire on 9/30/22. Three community-based organization nominations, one Mayoral appointee, and two Council appointees.

PCOB Decision Point: Per MGO 5.20, the list of the designated set of nominating community-based organizations is to be reviewed every two years. As such, before step #1 above can take place, the PCOB will need to determine whether it will recommend retaining the existing list, or recommend changing it in some way.
