I'm registered to speak in support of 7/28 UDC agenda item 6 (<http://madison.legistar.com/gateway.aspx?m=l&id=/matter.aspx?key=78661>), but I'll need to drop off the Zoom meeting shortly, so I won't be available to speak after all. My comments at this stage were just general support for the proposal - the development team has been in excellent communication with the neighborhood thus far, and in the two meetings we've had with them, the neighborhood has reacted positively to the early designs and the prospect of adding housing on this corner. I hope the setback/stepback requirements in the Mifflandia plan do not prove to be an insurmountable hurdle to this corner site.

Thanks,

Tim Kamps
