EXHIBIT A SAFE STREETS MADISON PRIORITIZATION TOOL

	Issue/Concern	High Injury Network	Ped Gap issue	Bike Gap issue	Proposed solution	Expected impact on safety	Expected impact on ped gap	Expected impact on bike gap	EJ area / social vulnerability impact	Total benefit of project		Overall benefit/cost	Other Info	Recommendation
Consider the point/block of biggest concern and potentially broader zone if applicable depending on issue. Could list out two alternatives (smaller or larger area to be addressed)	What do we do about "speeding"? How do we translate it into safety and ped bike gaps? What is our response to residents with speeding issues that don't cause safety or gap issues?	0-10 based on severity of safety issue	0-10 based on severity of ped gap	on severity	Can propose multiple alternatives that offer different results and have different costs (each proposed solution should be a separate line)	0-100% resolution of safety issue	0-100% resolution of ped gap	0-100% resolution of bike gap	100% for average, 115% for medium EJ impact, 130% for high EJ	(C*G*2+D*H+ E*l)*J*10	In thousands of dollars	Κ/L		
Madison College Ped Crossing (Badger/Park)	Peds crossing midblock				Ped Ramps, Continental X-walk, & signs									
W Lakeside St	Speeding				Speed Humps & Circle									
Wheeler Rd	Speeding				Islands									
Post Rd & Todd Dr	Disregarding Stop signs / speeding				Islands									
Barton Rd	Speeding				Speed Humps									
Segoe Rd & Richland Ln	Dangerous school crossing (did not qualify for crossing guard)				RRFB									
1810 S Park St ped crossing at bus stop	No existing ped crossing at bus stop				Ped Ramps, Continental X-walk, & signs									
Forster Dr	Speeding				Islands									
Maher Ave & Cottage Grove Rd	Difficult pedestrian crossing				RRFB									
Glenway St at Cross St	Difficult pedestrian crossing				RRFB									
Rusk Ave	Speeding				Speed Humps									
Troy Dr	Speeding				Speed Humps									
Dempsey Rd	Speeding/no bike facilities				Bike lanes									
Midvale Blvd at Southwest Path	Speeding/difficult bike crossing				Upgrade lighting to LED									
Midvale Blvd at Southwest Path	Speeding/difficult bike crossing				Narrow Lanes									
Park St between olin and Fish Hatchery	Difficult Crossing		·								·
