## CITY OF MADISON

(STC-Form: 07/26/2016)

1. General. Throughout this document, "City of Madison," "City" and "Purchasing" shall be synonymous and mean the City of Madison. The words "bid" and "proposal" are synonymous, as are the words "bidder," "proposer" and "contractor." The phrases "request for proposal," "invitation for bids," "request," "invitation," and "solicitation" shall also be synonymous.  
As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.
  2. Entire Agreement, Order of Precedence. These standard terms and conditions shall apply to any Purchase Order issued as a result of this Request for Bid/Proposal, except where expressly stated otherwise in the RFP or in a written instrument covering this purchase signed by an authorized representative of the City and the Contractor, in a form approved by the City Attorney (a "Separate Contract"). If such a separate contract is executed it shall constitute the entire agreement and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.  
If a Separate Contract is not executed, these Standard Terms and Conditions, the City's request for proposals, the version of the vendor's bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.  
Order of Precedence: If there is a conflict between this Section A and any terms in the vendor's accepted bid or proposal, this Section A shall control unless the parties expressly agree to another order of precedence, in writing. If there is a conflict between this Section A and a Separate Contract, the terms and conditions of the Separate Contract shall control.
- I. TERMS FOR SUBMISSION OF BIDS: The following section applies to the bid/selection process only.**
3. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.  
The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).  
The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.
  4. Addenda. Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.
  5. Price Proposal. All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the bidder may include product literature and specifications. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.
  6. Price Inclusion. The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications which are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.
  7. Pricing and Discount.
    - a. Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea., etc.) as stated on the bid/proposal or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration.
    - b. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed favorable. All payment terms must allow the option of Net 30.
  8. F.O.B. Destination Freight Prepaid. Bid prices must include all handling, transportation and insurance charges. Failure to bid FOB Destination Freight Prepaid may disqualify your bid.
  9. Award.
    - a. The City will have sole discretion as to the methodology used in making the award. Where none is specified, the award will be made to the lowest responsible bidder in compliance with the specifications and requirements of this solicitation.
    - b. The right is reserved to make a separate award of each item, group of items or all items, and to make an award in whole or in part, whichever is deemed in the best interest of the City.
  10. Responsiveness and Responsibility. Award will be made to the responsible and responsive bidder whose bid is most advantageous to the City with price and other factors considered. For the purposes of this project, responsiveness is defined as the bidder's conformance to the requirements of the solicitation. Being not responsive includes the failure to furnish information requested.

Responsibility is defined as the bidder's potential ability to perform successfully under the terms of the proposed contract. Briefly, a responsible bidder has adequate financial resources or the ability to obtain said resources; can comply with required delivery taking into account other business commitments; has a satisfactory performance record; has a satisfactory record of integrity and business ethics; and has the necessary organization, experience and technical skills.

The City reserves the right to refuse to accept any bid from any person, firm or corporation that is in arrears or is in default to the City, or has failed to perform faithfully any previous contract with the City. If requested, the bidder must present within five (5) working days evidence satisfactory to the City of performance ability and possession of necessary facilities, financial resources, adequate insurance, and any other resources required to determine the bidder's ability to comply with the terms of this solicitation document.

11. Cancellation.

- a. The City reserves the right to cancel any contract in whole or in part without penalty due to non-appropriation of funds.
- b. In the event the Bidder shall default in any of the covenants, agreements, commitments, or conditions and any such default shall continue unremedied for a period of ten (10) days after written notice to the Bidder, the City may, at its option and in addition to all other rights and remedies which it may have, terminate the Agreement and all rights of the Bidder under the Agreement.
- c. Failure to maintain the required certificates of insurance, permits, licenses and bonds will be cause for contract termination. If the Bidder fails to maintain and keep in force the insurance, if required, the City shall have the right to cancel and terminate the contract without notice.

II. **CONDITIONS OF PURCHASE: The following section applies to purchases/contracts after the award. See Paragraphs 1 & 2 for applicability and order of precedence.**

12. Specifications.

- a. All bidders must be in compliance with all specifications and any drawings provided with this solicitation. Exceptions taken to these specifications must be noted on your bid.
- b. When specific manufacturer and model numbers are used, they are to establish a design, type, construction, quality, functional capability and/or performance level desired. When alternates are bid/proposed, they must be identified by manufacturer, stock number, and the bidder/proposer is responsible for providing sufficient information to establish equivalency. The City shall be the sole judge of equivalency. Bidders are cautioned to avoid bidding alternates which do not meet specifications, which may result in rejection of their bid/proposal.

13. Regulatory Compliance.

- a. Seller represents and warrants that the goods or services furnished hereunder, including all labels, packages, and container for said goods, comply with all applicable standards, rules and regulations in effect under the requirements of all Federal, State and local laws, rules and regulations as applicable, including the Occupational Safety and Health Act (OSHA), as amended, with respect to design, manufacture or use for their intended purpose of said goods or services. The second form will be submitted to the Department no later than one year after the date on which the first form was required to be provided.

The Contractor further agrees that, for at least twelve (12) months after the effective date of this Contract, it will notify the Department of each of its job openings at facilities in Dane County for which applicants not already employees of the Contractor are to be considered. The notice will include a job description, classification, qualifications, and application procedures and deadlines, shall be provided to the City by the opening date of advertisement and with sufficient time for the City to notify candidates and make a timely referral. A referral is timely if it is received by the Contractor on or before the date stated in the notice.

**B. Articles of Agreement, Request for Exemption, and Release of Payment:**

The "ARTICLES OF AGREEMENT" beginning on the following page, apply to all contractors, unless determined to be exempt under the following table and procedures:

\*As determined by the Finance Director

\*\*As determined by the Department of Civil Rights

(1) Exempt Status: In this section, "Exempt" means the Contractor is exempt from the Articles of Agreement in section 20.B.(5) of this Contract and from filing an Affirmative Action plan as required by Section IV of the Articles of Agreement. (2) Request for Exemption – Fewer Than 15 Employees: (MGO 39.02(9)(a)2.) Contractors who believe they are exempt based on number of employees shall submit a Request for Exemption on a form provided by the Department within thirty (30) days of the effective date of this Contract.

(3) Exemption – Annual Aggregate Business: (MGO 39.02(9)(a)c.): The Department will determine, at the time this Contract is presented for signature, if the Contractor is exempt because it will have less than \$25,000 in annual aggregate business with the City in the calendar year. **CONTRACTORS WITH 15 OR MORE EMPLOYEES WILL LOSE THIS EXEMPTION AND BECOME SUBJECT TO SEC. 20.B.(5) UPON REACHING \$25,000 OR MORE ANNUAL AGGREGATE BUSINESS WITH THE CITY WITHIN THE CALENDAR YEAR.**

(5) Articles of Agreement:

ARTICLE I

The Contractor shall take affirmative action in accordance with the provisions of this Contract to insure that applicants are employed, and that employees are treated during employment without regard to race, religion, color, age, marital status, disability, sex, sexual orientation, gender identity or national origin and that the employer shall provide harassment-free work environment for the realization of the potential of each employee. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship insofar as it is within the control of the Contractor. The Contractor agrees to post in conspicuous places available to employees and applicants notices to be provided by the City setting out the provisions of the nondiscrimination clauses in this Contract.

## ARTICLE II

The Contractor shall in all solicitations or advertisements for employees placed by or on behalf of the Contractors state that all qualified or qualifiable applicants will be employed without regard to race, religion, color, age, marital status, disability, sex, sexual orientation, gender identity or national origin.

## ARTICLE III

The Contractor shall send to each labor union or representative of workers with which it has a collective bargaining Agreement or other Contract or understanding a notice to be provided by the City advising the labor union or workers representative of the Contractor's equal employment opportunity and affirmative action commitments. Such notices shall be posted in conspicuous places available to employees and applicants for employment.

## ARTICLE IV

(This Article applies to non-public works contracts.)

The Contractor agrees that it will comply with all provisions of the Affirmative Action Ordinance of the City of Madison (MGO 39.02) including the Contract compliance requirements. The Contractor warrants and certifies that one of the following paragraphs is true (check one):

- A. Contractor has prepared and has on file an affirmative action plan that meets the format requirements of Federal Revised Order No. 4, 41 CFR part 60-2, as established by 43 FR 51400 November 3, 1978, including appendices required by City of Madison ordinances or it has prepared and has on file a model affirmative action plan approved by the Madison Common Council.
- B. Within thirty (30) days after the effective date of this Contract, Contractor will complete an affirmative action plan that meets the format requirements of Federal Revised Order No. 4, 41 CFR Part 60-2, as established by 43 FR 51400, November 3, 1978, including appendices required by City of Madison ordinance or within thirty (30) days after the effective date of this Contract, it will complete a model affirmative action plan approved by the Madison Common Council.
- C. Contractor believes it is exempt from filing an affirmative action plan because it has fewer than fifteen (15) employees and has filed, or will file within thirty (30) days after the effective date of this Contract, a form required by the City to confirm exempt status based on number of employees. If the City determines that Contractor is not exempt, the Articles of Agreement will apply.
- D. Contractor believes it is exempt from filing an affirmative action plan because its annual aggregate business with the City for the calendar year in which the contract takes effect is less than twenty-five thousand dollars (\$25,000), or for another reason listed in MGO 39.02(9)(a)2. If the City determines that Contractor is not exempt, the Articles of Agreement will apply.

## ARTICLE V

(This Article applies only to public works contracts.)

The Contractor agrees that it will comply with all provisions of the Affirmative Action Ordinance of the City of Madison, including the Contract compliance requirements. The Contractor agrees to submit the model affirmative action plan for public works Contractors in a form approved by the Director of Affirmative Action.

## ARTICLE VI

The City agrees to keep all such records confidential, except to the extent that public inspection is required by law.

## ARTICLE VII

In the event of the Contractor's or subcontractor's failure to comply with the Equal Employment Opportunity and Affirmative Action provisions of this Contract or Sections 39.03 and 39.02 of the Madison General Ordinances, it is agreed that the City at its option may do any or all of the following:

- A. Cancel, terminate or suspend this Contract in whole or in part.
- B. Declare the Contractor ineligible for further City contracts until the Affirmative Action requirements are met.
- C. Recover on behalf of the City from the prime Contractor 0.5 percent of the Contract award price for each week that such party fails or refuses to comply, in the nature of liquidated damages, but not to exceed a total of five percent (5%) of the Contract price, or five thousand dollars (\$5,000), whichever is less. Under public works contracts, if a subcontractor is in noncompliance, the City may recover liquidated damages from the prime Contractor in the manner described above. The preceding sentence shall not be construed to prohibit a prime Contractor from recovering the amount of such damage from the noncomplying subcontractor.

## ARTICLE VIII

(This Article applies to public works contracts only.)

The Contractor shall include the above provisions of this Contract in every subcontract so that such provisions will be binding upon each subcontractor. The Contractor shall take such action with respect to any subcontractor as necessary to enforce such provisions, including sanctions provided for noncompliance.

## ARTICLE IX

The Contractor shall allow the maximum feasible opportunity to small business enterprises to compete for any subcontracts entered into pursuant to this Contract. (In federally funded contracts the terms "DBE, MBE, and WBE" shall be substituted for the term "small business" in this Article.)

21. **Non-Discrimination.** In the performance of work under this Contract, the Contractor agrees not to discriminate against any employee or applicant for employment because of race, religion, marital status, age, color, sex, handicap, national origin or ancestry, income level or source of income, arrest record or conviction record, less than honorable discharge, physical appearance, sexual orientation, gender identity, political beliefs or student status. Contractor further agrees not to discriminate against any subcontractor or person who offers to subcontract on this Contract because of race, religion, color, age, disability, sex, sexual orientation, gender identity or national origin.

# Attachment F to the Purchase of Service Contract:

## Lease Agreement between the City of Madison ("Lessee") and Harris Motor Sports, Inc. d/b/a Harris Golf Cars, Inc. ("Lessor")

This Attachment provides the terms of the LEASE between Harris Motor Sports, Inc. d/b/a Harris Golf Cars, Inc. ("Lessor") and the City of Madison ("Lessee").

Lessor and Lessee hereby agree as follows:

1. Lease of Equipment. Lessor leases to Lessee the equipment described on Attachment C - Equipment Schedule (the "equipment"), on the terms and conditions of this Lease, the applicable Equipment Schedule, and each rider attached hereto.
2. Term. The term of this lease for the Equipment described on a particular Equipment Schedule shall commence on the date set forth on such Equipment Schedule and shall continue for the number of months indicated on such Equipment Schedule.
3. Rent. Lessee shall pay Lessor rent for the Equipment ("Rent") in the amounts and at the times set forth in Attachment D. Whenever any payment hereunder is not made when due, Lessee shall pay interest on such amount from the due date thereof to the date of such payment at the lower of Lessor's then prevailing rate for late payments specified in Lessor's invoice to Lessee for such payment or the maximum allowable rate of interest permitted by the law of the state where the Equipment is located.
4. Selection, Delivery, and Acceptance. Lessee shall select the Equipment and take delivery thereof directly from Lessor or an authorized dealer of Lessor (the "Dealer"). Lessor shall not be liable for any loss or damage resulting from the delay or failure to have any Equipment available for delivery. Lessee shall inspect the Equipment to determine that the Equipment is as ordered and has been equipped and prepared in accordance with the RFP and any prior instructions given in writing by Lessee to Lessor or Dealer. Lessee shall accept the Equipment if it meets the criteria set forth in the preceding sentence and shall execute and deliver to Lessor or Dealer a Certificate of Acceptance, in form and substance satisfactory to Lessor, within 7 days of the delivery of the Equipment or the Equipment will be deemed accepted by the Lessee. For all purposes of this Lease, acceptance is conclusively established by Lessee's execution and delivery of a Certificate of Acceptance provided by Lessor. Lessee authorizes Lessor to insert in each Equipment Schedule the serial numbers and other identifying date of the Equipment.
5. Location, and Inspection. Lessee shall not move the Equipment from the locations specified in the applicable Equipment Schedule without Lessor's prior written consent. Lessor and its representatives shall have the right from time to time during business hours to enter upon the premises where the Equipment is located to inspect the Equipment and Lessee's records to confirm Lessee's compliance with this Lease.
6. Care, Use, and Maintenance. Lessee shall, at its expense, at all times during the term of this Lease, keep the Equipment clean, serviced, and maintained in good operating order, repair, condition, and appearance in accordance with Lessor's manuals and other instructions received from Lessor. Lessee will not use or operate the Equipment, or permit the Equipment with its knowledge to be used or operated, in violation of any law, ordinance or governmental regulations. The Equipment will be used and operated only as golf cars. Lessee shall safely store the Equipment when not in use and properly secure it at night and such other times when the golf course on which the Equipment is used is closed to play, and Lessee shall be solely responsible for such storage and safekeeping. If the Equipment is electrical, Lessee shall provide sufficient and adequate electrical charging outlets and water facilities for the batteries which are a part of the Equipment.
7. Insurance. Effective upon delivery of the Equipment to Lessee and until the Equipment is returned to Lessor as provided herein, Lessee will be responsible for risk of physical damage to or loss or destruction of the Equipment. During the continuance of this Master Lease, Lessee shall at its own expense carry the following insurance:  
  
Property. Lessee will insure the Equipment under its property policy and will name Lessor as a Loss Payee.  
Commercial General Liability. Lessee will carry commercial general liability insurance during the term of this Master Lease in an amount not less than \$1,000,000 per occurrence.  
  
Lessee agrees to provide thirty (30) days notice to Lessor in the event of cancellation or expiration of the above noted policies. Lessee shall, upon request of Lessor, furnish appropriate evidence of such insurance to Lessor. Lessee shall not be relieved of the obligation to pay the total of the monthly payments or any other obligation hereunder because of any such occurrence. In the event of damage to Equipment leased hereunder, Lessee, at its sole expense, shall as soon as possible place the same in good repair and operating condition. In no event shall Lessor be liable for any loss of profit, damage, loss, defect or failure of any item of Equipment or the time which may be required to recover, repair, service, or replace the Equipment unless due to Lessor's sole negligence.
8. Storage. Lessee shall store the Equipment in such a manner as to prevent theft or damage from weather and vandalism.
9. Title. Title to the Equipment shall at all times remain with the Lessor. Lessee acquires only the interests of Lessee expressly described in this Lease, the applicable Equipment Schedule, and the riders attached hereto. Lessee shall not remove, move, or cover over in any manner any serial number on the Equipment. Lessee shall keep all Equipment free from any marking or labeling which might be interpreted as a claim of ownership thereof by Lessee or any party other than Lessor or anyone so claiming through Lessor. Lessor is hereby authorized by Lessee, at Lessor's expense, to cause this Master Lease, any Equipment Schedule or any statement or other instrument in respect of any Equipment Schedule as may be required by law showing the interest of Lessor in the Equipment to be filed and Lessee hereby authorizes Lessor or its agent to sign and execute on its behalf any and all necessary UCC-1 forms for such purpose. Lessor and Lessee hereby intend this transaction to be a lease. In the event that for any reason it is not deemed a lease, the Lessee hereby grants Lessor a security interest in leased property.
10. Warranties. The Equipment is warranted only in accordance with the manufacturer's warranty. EXCEPT AS EXPRESSLY PROVIDED IN THE MANUFACTURER'S WARRANTY, LESSOR DISCLAIMS ANY OTHER WARRANTY, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INTERFERENCE.

11. Alterations and Attachments. Lessee may, with Lessor's prior written consent, make such cosmetic modifications to the Equipment as Lessee may deem desirable in the conduct of its business; provided, however, that such alterations shall not diminish the value or utility of the Equipment, or cause the loss of any warranty thereon or any certification necessary for the maintenance thereof; and provided, further, that such modification shall be removable without causing damage to the Equipment. Upon return of the Equipment to Lessor, Lessee shall, if Lessor so elects, remove such modifications which have been made and shall restore the Equipment to its original condition, normal wear and tear and depreciation excepted.

12. Taxes. Lessee shall cooperate with Lessor in all reasonable respects necessary in order for Lessor to qualify for any exemption or exclusion from personal property tax on the equipment or sales or use tax on the leasing of the Equipment to Lessee hereunder. In the event that any such tax becomes payable by Lessor during the term of this Lease, Lessee and Lessor shall engage in good faith negotiations about how the taxes shall be paid. Failure to reach an agreement on this issue will be cause for either party to terminate the agreement. Lessee shall collect and remit any and all sales, use, and other taxes payable in any state, county, or city in respect of the rental or other use of the Equipment by Lessee.

14. Return of Equipment. Upon the termination of an Equipment Schedule for any reason, unless Lessee is thereupon purchasing the Equipment from Lessor, Lessee shall make the Equipment available for inspection and pick up by Lessor or Dealer at Lessee's location at which the Equipment was used hereunder. The Equipment shall be returned to Lessor at the termination of this Lease in the same operating order, repair, condition, and appearance as when received by Lessee, less normal depreciation and wear and tear (which shall not include damaged or missing tires or wheels). Any excessive damages beyond wear and tear will be the responsibility of the lessee.

15. Defaults. The occurrence of any one or more of the following events shall constitute an "Event of Default" under this Lease:

- (a) default by Lessee in the payment of any installment of rent or other charge payable by Lessee under any Equipment Schedule as and when the same becomes due and payable; or
- (b) default by Lessee in the performance of any other material term, covenant or condition of this Lease, any for a period of 10 days after notice; or
- (c) A petition under the Bankruptcy Code or under any other insolvency law providing for the relief of debtors shall be filed by or against Lessee; or
- (d) The voluntary or involuntary making of any assignment of a substantial portion of its assets by Lessee for the benefit of creditors shall occur; a receiver or trustee for Lessee or for Lessee's assets shall be appointed; any formal or informal proceeding for dissolution, liquidation, settlement of claims against or winding up of the affairs of Lessee shall be commenced; or
- (e) Lessee shall default under any other lease or agreement between Lessee and Lessor or any of its assignees hereunder; or
- (f) Lessee shall suffer a material adverse change in its financial condition from the date hereof, and as a result thereof Lessor deems itself or any of the Equipment to be insecure.

16. Remedies. Upon the occurrence of an Event of Default, Lessor, at its option, may pursue any one or more of the following remedies, in such order or manner as Lessor determines, each such remedy being cumulative and not exclusive of any other remedy provided herein or under applicable law:

- (a) terminate all or any portion of the Equipment Schedules to this Lease;
- (b) with or without terminating this Lease, take possession of the Equipment, with or without judicial process, Lessee hereby granting Lessor the right and license to enter upon Lessee's premises where the Equipment is located for such purpose;
- (c) proceed by appropriate court action, either at law or in equity, to enforce performance by Lessee of the applicable covenants and terms of this Lease, or to recover from Lessee any and all damages or expenses, including reasonable attorneys' fees, which Lessor shall have sustained by reason of Lessee's default in any covenant or covenants of this Lease, or on account of Lessor's enforcement of its remedies thereunder; without limiting any other damages to which Lessor may be entitled, Lessor shall be entitled upon an Event of Default to damages in an amount equal to all Rent then due but unpaid, plus the aggregate amount of Rent thereafter coming due for the remaining term of this Lease, plus Lessor's costs and expenses of pursuing its remedies hereunder (including, without limitation, attorneys' fees), minus all amounts received by Lessor after using reasonable efforts to sell or re-lease the Equipment after repossession or from any guaranty by the Dealer or any third-party; and
- (d) sell the Equipment or enter into a new lease of the Equipment. No delay by Lessor in pursuing any remedy shall be treated as a waiver of or limitation on such remedy or any other remedy.

17. Assignment. Neither Lessee nor Lessor shall transfer, assign, or sublease (except for rentals to players as contemplated hereunder in the ordinary course of business), or create, incur, assume, or permit to exist any security interest, lien, or other encumbrance on, the Equipment, this Lease, or any interest of Lessee therein.

18. Lessee's Representations and Warranties. Lessee represents and warrants to Lessor that: (a) Lessee has the authority under applicable law to enter into and perform this Lease and each Equipment Schedule and rider hereto; (b) Lessee has taken all necessary action to authorize its execution, delivery, and performance of this Lease and Equipment Schedule and rider hereto; (c) the Lease and each Equipment Schedule and rider hereto have been duly executed and delivered by an authorized signatory of Lessee and constitute Lessee's legal, valid, and binding obligations, enforceable in accordance with their terms; and (d) adequate funds have been budgeted and appropriated to enable Lessee to make all payments required under each Equipment Schedule to this Lease during the first twelve months of the term hereof.
