

1-18-24 DCC report on State Street Pedestrian experiment Art Related items:

Project #1: Street Stencils

The City has hired Maeve Malinski to Hire artist to design an array of stencils that could be painted at the ends of each block by the community. The 12 different stencils are based on her utility box submission:

- Picnic basket
- Ice cream cone
- Thai pavilion
- Toothy Mushroom (Sid Boyum)
- Ice Statue of Liberty
- 608
- Peace hands
- Wiener mobile
- Saturn
- Bloody Mary
- Sailboat
- Heart or triangle with eye
- Daisy
- Fish Fry
- Musical note

Project #2: Two signature flamingo artist street paintings in the middle of block 400 & 500:

The Madison Arts Commission will review and chose two designs submitted by five different artists (Each paid a \$500 design stipend) Artists: Taylor McAda, Sharon Bjyrd, Jessica Gutierrez, Rahul Kamuth, Aeryn Streiffer

- MAC will review and vote on the selection of two “medallion” designs..
- Artists would get \$1500 to paint (paint provided by City) if chosen.

Project #3: Flamingo Selfie Sculptures

A 6ft tall flamingo will be secured in a 2' tall planter. Two flamingos will flank each intersection for a total of eight flamingoes.
