## MS Word Application

### Have a voice in City government! Apply to be on a City board, commission or committee

Committees, commissions, and boards play a significant role in helping city staff, the Common Council and the Mayor in making decisions that affect the lives of Madison residents. The City of Madison values broad participation in these bodies and highly encourages people of color, persons with disabilities and members of other traditionally underrepresented groups to apply. Committee positions are open to City of Madison residents.
