Subject: Odana Hills Park Volunteer Restoration and Management Project

Dear Superintendent Briski:

At the April 23 2013 meeting of the Midvale Heights Community Association, the Board of Directors unanimously approved a motion of support of the Odana Hills Project as outlined by former Parks employee Si Widstrand and Midvale Heights resident Jim Baumann.

The Board expressed that it would attempt to publicize this effort and encourage neighborhood participation.

Thank you,
Gary Poulson, Board Secretary
