Hello!

I am very happy to see the Lien Rd diet added to Safe Streets Madison, with delineators!

Road diets are simple, cheap and a proven safety countermeasure. Please consider road diets for other unseparated, 4 lane streets in Madison as well. It's only \$30K for Lien Rd! We could do so many more streets in Madison with the Safe Streets budget. Madison has lots of streets with this extremely dangerous design.

1. Thierer Rd
2. Regent St
3. Monroe St
4. Speedway Rd
5. Mineral Point Rd (eastern end)
6. Willy St
7. Portions of Atwood
8. Watts Rd
9. Commerce Dr
10. Fish Hatchery Rd
11. Annamark Dr
12. Portions of E Springs Dr
