Subject: July 8, 2013 Plan Commission- Agenda Item # 11: 1615 Summit Ave.

Importance: High

+++Please forward/print for Plan Commission members+++

Dear members of the Plan Commission,

I may not be able to make it to your meeting tonight and thus wanted to share with you my full support for the conditional use application for 1615 Summit Ave. All the constituents I have heard from have expressed support for this proposed conversion of an apartment building into an owner occupied B&B. This is a great new use for this property and I urge you to approve it with the recommendations contained in the staff report. I hope that this item will be included in your consent agenda.

Thank you for all your work.

Best,

Shiva Bidar-Sielaff
