

2023 Madison Utility Box Art Program - Call for Artwork

The City of Madison is seeking visual artists to submit existing artwork for possible placement on City-owned utility boxes. Madison's Utility Box Art Program will give Madison artists the opportunity to enhance public space by transforming ordinary objects of urban infrastructure. This program is intended to highlight, encourage and promote Madison artists by giving them the opportunity to present their work publicly.

ELIGIBILITY

- Artists must be over 18 years of age and consider themselves to be a professional artist.
- Artists must reside in the City of Madison.
- City employees, board, committee, and commission members are ineligible.

IMAGE REQUIREMENTS

- Images must be original works of art that are engaging and

positive.

- Images cannot contain legible logos, words, letters or numbers that could constitute a sign.
- Images cannot promote or advertise a particular community group or organization.
- Images cannot contain large blank backgrounds or photos of places outside of Madison.
- Images should be able to translate to a utility box wrap, such that parts of the image may be repeated, doubled, flipped, or even removed to accommodate openings, keyholes, protrusions and other general design constraints. Due to this, figurative photo subjects are discouraged.
- If selected, you must be able to provide a high resolution file of the image that can be enlarged to at least 6' x 4'

PAYMENT

Artists will be paid a \$500 licensing fee for the rights to each artwork the City uses on a utility box of our choosing, and in promotional materials.

PROCESS

- Applications close Wednesday, April 5, 2023 at 11:59pm. Apply using web-size images only.
- April, 2023: Madison Arts Commission reviews submitted images.
- May, 2023: Chosen artists will be invited to send in high-resolution images of the selected images. They will also need to complete a licensing agreement and submit necessary payment information.
- Summer, 2023: The City will determine the location and layout of each installation, and will have the images printed on vinyl and professionally applied to the boxes.

CREDIT

The artist's name and title of artwork will appear on the utility box.
