Commission Members:

The Marquette Neighborhood Association (MNA) met on Jan 18, 2021 and voted to support the alcohol license request from I/O Arcade Bar at their new location, 924 Williamson St.

This location was the site for Plan B dance bar and more recently proposed for the Canopy night club. Because this site has been a historic nuisance to district residents, we agreed to set restrictions on I/O Arcade Bar's service parameters including:

1. Amplified sound restricted to 60 db limit at the property line
2. Hours of operation Sunday through Thursday closing at midnight and Friday/Saturday closing at bar time
3. Capacity at 300 or as determined by Building Inspection
4. Maximum of 75% alcoholic beverage sales
5. Food served until 90 minutes before closing
6. Designated smoking section be contained to a location in the back of the building in the fenced off area.

I/O Arcade Bar has been an excellent neighbor in their original location and we look forward to working with them to ensure they provide a fresh start for 924 Williamson Street.

Thank you for considering us when deliberating this application.

Sincerely,

Anita Krasno. President Marquette neighborhood Association
cc: Marsha Rummel, District 6 Alder; MNA Board
