## **Section B- Premises**

10. We plan to store all alcoholic beverages in our main serving area behind the tea bar, in our kitchen, and/or in our storage area in the basement. We don't plan to have a lot of alcohol inventory at any given time as tea is our primary business and takes up most of our storage space.

## 823 E. Johnson Street, Madison Wisconsin 53703

Macha Tea Company is a retailer of high-quality looseleaf teas, teaware and accessories. In addition to retail sales, our shop at 823 E. Johnson Street offers seating for in-house tea and bakery, and occasional lunch and dinner offerings.

We would like to obtain a license to offer beer and wine for some of our dinner events, and to also showcase the versatility of tea as an ingredient that can be steeped into wine for sangria or used to create other beverages that are tea-focused.

Our shop is an intimate, community-focused space, and we'd like to be able to have a small range of alcoholic offerings for our neighbors who come to Macha to relax and enjoy the atmosphere.

## Section D-Business plan

- 27. Macha Tea Company is a retailer of high-quality looseleaf teas, teaware, and accessories. Our retail and café location on E. Johnson Street also serves inhouse tea and bakery and offers occasional Friday lunch and special pop-up dinners in coordination with other local chefs. Our goal is to educate our customers about tea by offering tastings at the tea bar and hosting special events that are tea-focused to showcase its versatility.
- 28. HOURS: Current hours are Wednesday-Friday from noon-7pm; Saturday 11-6; and Sunday 11-5. If we are approved to serve beer & wine, we would initially extend our hours on Thursday-Saturday to end around 10 or 11 pm. It is not our intention to operate a bar and remain open until bar time.

## Section D- Business plan

- 31. We will be hiring additional staff if we extend our hours into the evening, as we mostly staff the hours we currently have ourselves. Staff duties will include all aspects of customer service: selling and serving looseleaf tea and retail, maintaining the cleanliness of the café and bar area, taking care of dishes and cleaning up the kitchen.
- 32. Employees will be trained to attend to customers promptly and respectfully, use the register to handle sales, prepare all beverages properly, maintain a clean café area, and clean up dishes and the kitchen area.

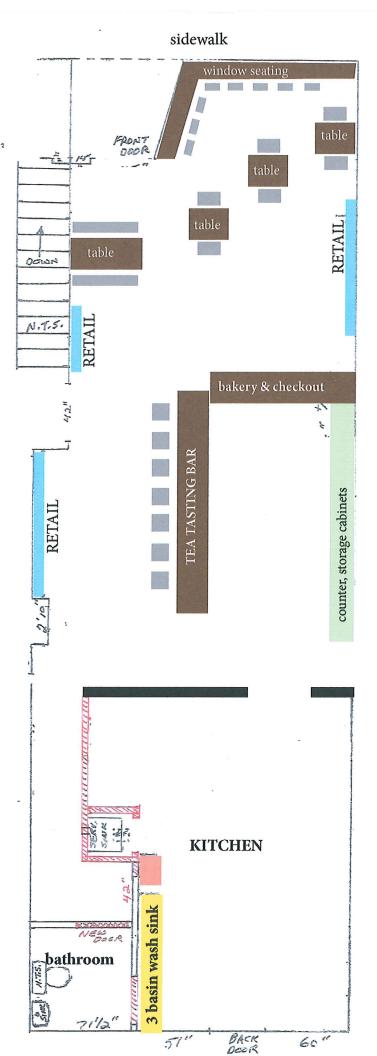

57. Currently, our sales can be broken down by the following averages:

Bulk tea: 30% In-house tea: 25%

Accessories/Gift/Other: 25%

Food/Bakery: 20%

We believe serving beer & wine will increase our in-house beverage %, but our primary goal is to grow the bulk tea & teaware categories and have those be the dominant receipts overall.
