Community Garden

The Community Gardens improve users' health through increased fresh vegetable consumption and providing a venue for exercise. The gardens also combat two forms of alienation that plague modern urban life, by bringing urban gardeners closer in touch with the source of their food, and by breaking down isolation by creating a social community.

EMERGENCY ACTION PLAN (EAP)

I. GENERAL

The "Syttende Mai Run/Walk" will be held May 20, 2017 at the Capitol Square to start, running from Madison to Stoughton.

II. PURPOSE

- A. This emergency action plan predetermines actions to take before and during the "Syttende Mai Run/Walk" (hereinafter referred to as the event) in response to an emergency or otherwise hazardous condition. These actions will be taken by organizers, management, personnel, and attendees. These actions represent those required prior to the event in preparation for and those required during an emergency.
- B. Flexibility must be exercised when implementing this plan because of the wide variety of potential hazards that exist for this event. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

III. ASSUMPTIONS

The possibility of an occurrence of an emergency is present at this event. The types of emergencies possible are various and could require the response of Fire & Rescue, Emergency Medical Services, and Police.

IV. BASIC PLAN

A. Emergency Action Plan (EAP) Event Representative

- 1. The EAP event representative will be identified as the point of contact for all communications regarding the event. This person is identified as PRIMARY CONTACT: Jim McNulty.

B. Emergency Notification

- 1. In the event of an emergency, notification of the emergency will be through the use of 911. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.
- 2. We ☐ will / ☒ will not have on-site EMS (There will be onsite EMS at the end of the race via City of Stoughton and Stoughton Hospital)
- 3. We ☒ will / ☐ will not have on-site Police or Security (City of Madison Police, Town of Madison Police, Dane County Sherriff and City of Stoughton Police)

C. Severe Weather

- 1. Weather forecasts and current conditions can be monitored through the National Weather Service's Madison Weather Forecast website.
- 2. Before the event - If severe weather is predicted prior to the event, the EAP event representative will evaluate the conditions and determine if the event will remain scheduled. The EAP event representative or his/her designee will be identified as such Jim McNulty, Race Director and will be responsible to monitor the weather conditions before and during the event.
- 3. During the event - If severe weather occurs during the event, the EAP event representative or his/her designee Jim McNulty, Race Director will make notification to those attending the event that a hazardous weather condition exists and direct them to shelter.
- 4. There are very limited provisions for sheltering participants in the event of severe weather.
- 5. This event will follow the 30-30 Rule for lightning. If lightning is observed and thunder is heard within 30 seconds, the event will be delayed until 30 minutes have passed since thunder was last heard.

D. Fire

- 1. If a specific hazard has been identified as an increased risk of fire at this event, event manager will work with the Fire Department to determine how to address the hazard.
- 2. All event staff will be instructed on the safe use of Portable Fire Extinguishers.

3. If cooking is intended, you must contact the fire department and -
 - a) Must have a valid fire extinguisher, 2A10BC
 - b) Each space is allowed 1 LP tank per cooking device. All LP tanks are to be secured in an approved manner (tied, strapped, chained, etc.)
 - c) No cooking shall be allowed under a tent. Cooking shall be a minimum of 20' away from tents/canopies.
 - d) Cooking must be on a non-combustible surface (grease collection material generally required under cooking and food service areas)
4. Fire Inspectors may be required to do an inspection of your event (depends on size and nature of the event), contact the Fire Department for guidelines
5. All tents/canopies used for cooking shall have a FLAME SPREAD Certification attached to the tent.
6. Should an incident occur that requires the Fire Department, 911 will be utilized to request this resource. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

E. Medical Emergencies

1. As with any outdoor event, there is potential for injury to the participants. The types of injuries are various and include those that are heat related as well as traumatic injuries.
2. Event manager shall contact the Fire Department to determine if there is a need for on-site Emergency Medical Services at this event.
3. Should an incident occur that requires Emergency Medical Services to be called to this event, the caller will have the following information available to give to the 911 Center:
 - a) nature of emergency
 - b) precise location
 - c) contact person with callback number

F. Law Enforcement

1. The need for constant Law Enforcement presence at this event
☒ has / ☐ has not been identified. Event manager shall contact the Police Department to determine if there is a need for Law Enforcement presence at this event
2. Should an incident occur that requires Law Enforcement, to be called to this event, the caller will have the following information available to give to the 911 Center:
 - a) nature of emergency
 - b) precise location
 - c) contact person with callback number

G. Emergency Vehicle Access

1. Access for Emergency Vehicles will be maintained at all times.
2. 20' Fire Lanes are required to be kept open at events.
3. A 14' minimum height clearance requirement for anything that goes over a street or fire lane
4. Participants and spectators will be directed to park in approved areas and not to obstruct protective features, sidewalks or public thoroughways.
5. Crowd control will be managed by: Jim McNulty, Race Director.
6. Parking for vendor and staff vehicles will be: 100 Block of MLK Blvd.
7. Parking for attendee vehicles will be: 100 Block of MLK Blvd).

Safety and Security Plan

Syttende Mai Run – May 20, 2017

For Street Permitting Purposes

The Safety and Security Plan for the Syttende Mai Run is largely unchanged from previous years. The key points revolve around replicating the successful history and the same procedures that have worked in the past. Specific items of emphasis include:

- Working and communicating with law enforcement in the municipalities that the run/walk goes through to adequately prepare for traffic and other similar hazards.
- Having volunteer course marshals at all intersections along the course that could present a hazard to participants.
- Having volunteer bike riders patrol the front, back and be interspersed amongst participants. These bikers communicate with race management to ensure traffic is being monitored, lead runners have a clear path and any emergency issues are communicated to the appropriate people.
- Stoughton EMS and Fire staff are positioned at the end of the race and are in communication via cell phone as needed with the bike patrol volunteers and race management.
- **Specifically to downtown Madison**, City of Madison Police and similar authorities work to approve the plan to barricade appropriate areas and manage the initial part of the race safely.
- **Specifically to all rural and semi-rural roads which are outside of the City of Madison, Town of Madison and City of Stoughton** – we hire and coordinate with supplemental Dane County Sheriffs to patrol and monitor all roads and traffic intersections for the safety of race participants.
- Directional signage is placed at intersections to guide participants successfully and safely to the finish.

Jim McNulty and Kim McNulty are co-race directors and are primarily responsible for the coordination of safety and security during the event. Their contact information is listed on the street use permit application.

Recycling Plan

Syttende Mai Run

City of Madison Street Use Permit

The Syttende Mai Run/Walk will support recycling by focusing on the following points:

- Encouraging online entrances to minimize paper use and waste
- Providing water at the race start in bulk containers and attempting to procure containers using recycled materials.
- Any waste generated at the start, at mid-race aid stations and the finish will be collected and recycled as much as possible within ordinances in the specific municipalities involved. This collection will be made possibly via event volunteers and course marshals using containers procured by the event or available public containers as marked.
