13. No use of fire, fireworks or pyrotechnics will be permitted during the parade. Any Student Organization or parade participant found using such material would be removed from the parade immediately.
14. Parade Officials reserve the right to deny approval of or immediately remove parade units or vehicles which have violated these regulations or present other safety concerns.

## **La Follette High School Homecoming Parade EMERGENCY ACTION PLAN (EAP)**

### **I. GENERAL**

The “La Follette Homecoming Parade” will be held Friday, October 1 and its route will proceed around the Spaanem, Linda Vista, Turner, Hobs block. It will begin and end from the High School parking lot entrance. The parade will start at 1:00 pm.

### **II. PURPOSE**

A. This emergency action plan predetermines actions to take before and during the “Homecoming Parade” (hereinafter referred to as the event) in response to an emergency or otherwise hazardous condition.

These actions will be taken by organizers and attendees. These actions represent those required prior to the event in preparation for and those required during an emergency.

B. Flexibility must be exercised when implementing this plan because of the wide variety of potential hazards that exist for this event. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

### **III. ASSUMPTIONS**

The possibility of an occurrence of an emergency is present at this event. The types of emergencies possible are various and could require the response of Fire & Rescue, Emergency Medical Services, and Police.

### **IV. BASIC PLAN**

#### **A. Emergency Action Plan (EAP) Event Representative**

1. The EAP event representative will be identified as the point of contact for all communications regarding the event. This person is identified as PRIMARY CONTACT: GREG MURRAY. SECONDARY CONTACT: REBECCA MURRAY

#### **B. Emergency Notification & Communication Plan**

1. In the event of an emergency, notification of the emergency will be through the use of 911. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

2. We will not have on-site EMS.

3. We will have on-site Police of the police desire to attend. Coordination of security will be between the Madison Police Department and Booster Club contacts.

### C. Severe Weather

1. Weather forecasts and current conditions can be monitored through the National Weather Service's Madison Weather Forecast website.
2. Before the event - If severe weather is predicted prior to the event, the Booster Club organizers will evaluate the conditions and determine if the event will remain scheduled. The EAP event representatives are Greg and Rebecca Murray and will be responsible to monitor the weather conditions before and during the event.
3. During the event - If severe weather occurs during the event, the EAP event representative will make notification to those attending the event that a hazardous weather condition exists and direct them to shelter.
4. The designated shelter area for the event will be the La Follette High School Field House. The Booster club has coordinated with La Follett High School who has agreed to provide the Field House in the event of severe or dangerous weather.
5. This event will follow the 30-30 Rule for lightning. If lightning is observed and thunder is heard within 30 seconds, the event will not be allowed to occur until 30 minutes have passed since thunder was last heard. We will observe this rule for the half hour prior to the event, and unless the event can begin by 1:45, the event will be cancelled.

### D. Fire

1. No use of fire, fireworks or pyrotechnics will be permitted during the parade.
2. Fire Inspectors may be required to do an inspection of your event (depends on size and nature of the event), contact the Fire Department for guidelines.
3. Should an incident occur that requires the Fire Department, 911 will be utilized to request this resource. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

### E. Medical Emergencies

1. As with any outdoor event, there is potential for injury to the participants. The types of injuries are various and include those that are heat related as well as traumatic injuries.
2. Event manager shall contact the Fire Department to determine if there is a need for on-site Emergency Medical Services at this event.

3. Should an incident occur that requires Emergency Medical Services to be called to this event, the caller will have the following information available to give to the 911 Center:

- a) nature of emergency
- b) precise location
- c) contact person with callback number

#### F. Law Enforcement

1. Should an incident occur that requires Law Enforcement to be called to be called to this event, the caller will have the following information available to give to the 911 Center:

- a) nature of emergency
- b) precise location
- c) contact person with callback number

2. If recommended by MPD, Police Officers from the Madison Police Department will be stationed at the parade route. (Details to be confirmed with MPD as necessary)

#### G. Vehicles

1. Prior to the start of the parade, all vehicles will be inspected. If a vehicle appears to be in bad shape it will not be permitted to participate in the parade.

2. Should a car break down during the event, La Follette Booster club members and parade participants in the entry will come to the float/vehicle's assistance. The car will be placed into neutral and pushed to the nearest intersection, where it can be moved out of parade.

#### I. Crowd Control & Marshalls

1. Traffic barricades manned by Booster Club parade marshals will be used in the major sections of the road to keep people on the sidewalks and out of the streets. Traffic barricades will be set-up to block traffic beginning at 12:45-1:00. These barricades will remain until the end of the parade.

#### J. Suspicious Package or Person

1. If a suspicious package or person is found along the parade route or in the staging area, parade volunteers will be instructed to call 911. Event staff will wait for further instruction from law enforcement and follow their direction.

#### K. Lost/Missing Person

1. If a child is lost supervisors will make contact with Madison Police and inform them of the situation.

2. If a lost/missing child is located, a supervisor for that geographic area is to stay with

the lost child and contact the Madison Police Department.

#### L. Emergency Vehicle Access

1. Access for Emergency Vehicles will be maintained at all times.
2. 20' Fire Lanes are required to be kept open at events.
3. A 14' minimum height clearance requirement for anything that goes over a street or fire lane
4. Participants and spectators will be directed to park in approved areas and not to obstruct protective features, sidewalks or public thoroughways.
5. Crowd control will be managed by: Booster Club parade marshalls.

#### M. Clean-up and Recycling Plan

1. Participants are responsible for disposing of their floats properly. 8-10 trash containers will be located throughout the parade route for spectators to use.
2. National Honors Society or Key Club students will walk the parade route and pick up trash. Barricades and parking signs will be removed along parade route.
