Neither Lot 15 Owner nor Lot 16 Owner shall have any responsibility for maintenance, repair, replacement or snow removal (except to the extent the same is required because of the wrongful acts of Lot 15 Owner or Lot 16 Owner).

5. Interference Prohibited. No party having the right to use the Driveway or Driveway Easement shall unreasonably interfere with any other party's rights to use of the same.

6. Notices. Any notice given in connection with this Agreement shall be in writing and shall be personally delivered or mailed to the recipient at its address for receiving property tax bills, first class, United States mail, postage prepaid. Notice by mail shall be deemed effective upon the third day following deposit in the United States mail.

7. Indemnification. Each Owner shall indemnify and defend the other Owners and their respective officers, agents, and employees from all liability, suits, actions, claims, costs, damages, and expenses of every kind and description, including court costs and legal fees, for claims of any character, including liability and expenses in connection with the loss of life, personal injury, or damage to property, brought because of any injuries or damages received or sustained by any person, persons, or property on account of or arising out of the exercise of any easement rights hereunder by the Insuring Owner (as defined below) or its agents, contractors, subcontractors, invitees, tenants, or employees.

8. Insurance. Each Owner (the "Insuring Owner") shall maintain in effect at all times during the term of this Agreement a policy of commercial general liability insurance naming the other Owners (the "Insured Owners") as insureds, to insure against injury to property, person, or loss of life arising out of the Insuring Owner's use, occupancy, or maintenance of the Insured Owners' property, with limits of coverage that are at levels customarily maintained by businesses in Dane County, Wisconsin, and shall provide the Insured Owners with a copy of the insurance policy endorsement or wording showing that the Insured Owners have been added as additional insureds. The policy shall contain a supplemental endorsement covering contractual liability voluntarily assumed by the insured under this Agreement. Insurance required under this Agreement shall be written by companies duly qualified to do business in the State of Wisconsin. Each Insuring Owner shall use diligent efforts to obtain the agreement of its insurer that no such policy shall be

cancelable or subject to reduction of coverage or modification except after thirty (30) days' prior written notice to the Insured Owners. At least thirty (30) days before the expiration of the Insuring Owner's policies, the Insuring Owner shall furnish the Insured Owners with renewals or "binders" of the policies, or the Insured Owners may order such insurance and charge the cost to the Insuring Owner. The Insuring Owner shall not do or permit anything to be done that will invalidate the insurance policies furnished by the Insuring Owner. The Insured Owners may from time to time require that the policy limits of any or all such insurance be increased to reflect the effects of inflation and changes in normal commercial insurance practice.

9. Successors and Assigns. All of the terms and conditions in this Agreement, including the benefits and burdens, shall run with the land and shall be binding upon, inure to the benefit of, and be enforceable by Lot 1 Owner, Lot 2 and 3 Owner, Lot 15 Owner and Lot 16 Owner and their respective successors and assigns as owners of Lot 1, Lot 2, Lot 3, Lot 15 and Lot 16, respectively. The specific parties named as Owners in this Agreement, and each of their respective successors and assigns as fee simple owners of Lot 1, Lot 2, Lot 3, Lot 15 and Lot 16,, or any portion of any such Lot, shall cease to have further liability under this Agreement with respect to facts or circumstances first arising after the party has transferred its fee simple interest in such Lot, except, however, for obligations that accrued during the party's period of ownership of title. If any of the Lots is further divided, the obligations under this Agreement appurtenant to such Lot shall be divided among the lots resulting from the division that have use of the Driveway, whether directly or indirectly.

10. Governing Law. This Agreement shall be construed and enforced in accordance with the internal laws of the State of Wisconsin.

11. Waivers. No delay or omission by any party in exercising any right or power arising out of any default under any of the terms or conditions of this Agreement shall be construed to be a waiver of the right or power. A waiver by a party of any of the obligations of the other party shall not be construed to be a waiver of any breach of any other terms or conditions of this Agreement.

12. Enforcement. Enforcement of this Agreement may be by proceedings at law or in equity against any person or persons violating or attempting or threatening to violate any term or condition in this Agreement, either to restrain or prevent the violation or to obtain any other relief. If a suit is brought to enforce this Agreement, the prevailing party shall be entitled to recover its costs, including reasonable attorney fees, from the nonprevailing party.

13. No Dedication. Nothing in this Agreement shall be deemed to be a gift or dedication of any portion of the easement granted under this Agreement to the general public or for any public purpose whatsoever. The Owners agree to cooperate with each

other and to take such measures as may be necessary to prevent the dedication to the public of the Driveway, whether by express grant, implication, or prescription, including, without limitation, the posting of "Private Drive" or "No Trespassing" signs. Such measures shall not, however, unreasonably interfere with the easement rights granted under this Agreement.

14. Amendment. This Agreement may be amended or terminated by a written recorded instrument signed by all of the Owners.

15. Contingency. This Agreement shall not take effect until a certified survey map creating Lots 1, 2 and 3 as lots within such certified map is recorded with the Dane County Register of Deeds. If such certified survey map has not been recorded by April 1, 2012, then this Agreement shall automatically be void and of no further force or effect whatsoever.
