

Board of Health for Madison and Dane County
2011 Public Health Grants and Contracts

Resolution # 2010-15

Public Health-Madison and Dane County (PHMDC) has many grants and contracts whereby it receives funds to support public health services. The grants included in this resolution are continuations of grants from previous years; they were reviewed and approved by the Dane County Board of Supervisors and the City of Madison Common Council in previous funding cycles. Under the terms of the merger agreement, Public Health—Madison and Dane County may accept continuation grants with the approval of the Board of Health for Madison and Dane County (IGA, VIII, F, 1-3). These contracts represent about \$2,685,000 in revenue that is anticipated in the 2011 Adopted Operating Budget.

NOW THEREFORE BE IT RESOLVED, that the Board of Health for Madison and Dane County authorizes the Director of Public Health, or his/her designee, to sign the following 2011 contracts and agreements that are anticipated in the 2011 Public Health Operating Budget:

- Consolidated Contract (Division of Public Health of the Wisconsin Department of Health Services) for childhood lead, radon outreach, immunization, maternal child health and prevention;
- First Breath (Wisconsin Women's Health Foundation) for smoking cessation activities with pregnant women;
- HIV Prevention and Linkages to Care (Division of Public Health of the Wisconsin Department of Health Services) for counseling and partner referral services;
- Public Health Preparedness (Division of Public Health of the Wisconsin Department of Health Services) for emergency preparedness planning;
- Public Health Preparedness Regional Consortium (Division of Public Health of the Wisconsin Department of Health Services) for regional emergency preparedness planning (fiscal agent);
- Refugee Health Screening (Division of Employment and Training of the Wisconsin Department of Workforce Development) for screening of new refugees;
- Tobacco Prevention and Control (Division of Public Health of the Wisconsin Department of Health Services) for tobacco education and compliance checks;
- Transient Non-Community Public Water Systems (Wisconsin Department of Natural Resources) to test private water systems;
- Treatment Access Fund (Susan G. Komen for the Cure, Madison Affiliate) for breast and cervical cancer screening and support services;
- Tuberculosis (TB) Dispensary (Division of Public Health of the Wisconsin Department of Health Services) to reimburse local providers for TB services when clients have no health coverage;
- Well Woman Program (Division of Public Health of the Wisconsin Department of Health Service) to promote breast and cervical cancer screening among women with no health coverage;

- West Nile Virus Partner Agreements (local municipalities and governmental agencies) for mosquito surveillance and control;
- Wisconsin Fund (Wisconsin Department of Natural Resources) for the replacement of septic systems; and
- WIC Program (Division of Public Health of the Wisconsin Department of Health Service) to safeguard the health of low-income women, infants, and children up to age five who are at nutritional risk by nutritious food to supplement diets, information on healthy eating, and referrals to health care.
