To: Property Owners along Ohmeda Drive

Re: Proposed Street Reconstruction Project & Public Hearing

The City of Madison is planning a 2023 project on Ohmeda Drive in the Yahara Hills Neighborhood. Enclosed with this letter is a fact sheet with some details on the proposed project. Also enclosed is a notification for the Public Hearing before the Board of Public Works. The date, time and location of the public hearing is on the notification.

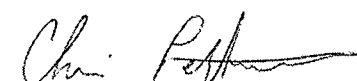

This project will involve special assessments to the owners of property adjacent to the project. The property owners will be assessed for various items included with this proposed project, and the costs of some of those items are assessed entirely to the owner. Tables detailing the City's standard assessment policy for the items of work is included on the fact sheet.

Below is a revised Schedule of Assessments, which shows the estimated costs for your property adjacent to the project. The design of the sanitary sewer, storm sewer, and driveways have changed since the original assessments were created after the assessments were adopted (RES-22-00773) on November 11, 2022 by the City of Madison Common Council. The design changes increased the original assessments and the additional costs needed to be assessed. The Revised Schedule of Assessments for all properties adjacent to the project is available on the project webpage at: <https://www.cityofmadison.com/engineering/projects/ohmeda-drive-reconstruction>, a hard copy can be mailed to you upon request. The frontages and lot areas of each property to be assessed are listed on the full schedule. After work is complete, a final assessment cost will be calculated based on bid prices and work actually performed. The final assessment cost, which will be billed after the completion of the project, is payable in one lump sum or over a period of 8 years, with the 4% interest charged on the unpaid balance.

To request accommodations for special needs or disabilities or if you have any other questions regarding this project, please contact Andrew Zwiag, Project Manager, (608) 266-9219, azwiag@cityofmadison.com. This includes requests relating to the Public Hearing and operations of construction.

Sincerely,

For:
James M. Wolfe, P.E. City Engineer
