Subject: Nakoma demolition: 4022 Manitou Way
Date: Sunday, April 05, 2015 8:31:41 AM

Amy: I along with many other Nakoma neighbors are very concerned about another threatened demolition in our historic neighborhood. We strongly oppose the demolition of the Tudor style house on 4022 Manitou Way. Our close, in-town neighborhood has an historic character reflected in important houses like this one. Many of us are still staggered by the demolition of 3934 Manitou and its quick flip as a house for sale, one million dollars later. That house is way out of proportion to the rest of the neighborhood. We don't want that kind of suburban expansion (McMansion style). We treasure the historic nature of our housing stock, its authentic character. Please help join us in its preservation.
