**To whom it may concern,**

**I am Talia Schutz, writing a comment on behalf of Twisted Grounds in support of their liquor license application. I am a regular customer of Twisted Grounds, and I believe it would be a positive change if they are granted a liquor license. The cafe is a welcoming space for community and socializing over a cocktail on weekdays, during trivia nights, or on Under the Oak nights in the summer would only add to that experience.**

**Thank you.**
