THIS PURCHASE AND SALE AGREEMENT ("Agreement") is entered into as of the ____ day of _____, 2024, by and between the City of Madison, a Wisconsin municipal corporation ("Buyer") and VH Acquisitions, LLC, a Wisconsin limited liability company or its assigns ("Seller").

In consideration of the covenants and agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Buyer and Seller (together, "Parties") covenant and agree as follows:

1. The Property. The Buyer shall purchase, and the Seller shall sell and convey by Warranty Deed ("Deed") at Closing, as defined herein, fee simple title to the real property shown herein as Parcel A and Parcel B, which are legally described on attached Exhibit A and depicted on attached Exhibit B (together, "Property"). Buyer will not be charged for the 4.766 acres of the Property that consist of existing public-right-of-way.

Of the remaining 67.502 acres of Property to be purchased, 40.142 acres of the Property will be used by the Buyer for park purposes (the "Park Lands"). The Parties agree that the purchase price of the Seller's fee simple interest in the Park Lands shall be based upon a price of Seventy-Two Thousand Dollars (\$72,000.00) per acre. The Parties agree that they will execute any further documents, and perform any additional acts, which are or may become necessary to effectuate any of the terms or provisions of this Paragraph 3. The Parties agree that land dedication shall occur by means other than the approval and recording of a Certified Survey Map or Plat. This Paragraph 3 shall survive the Closing.

4. Final Subdivision Plat of the Property. After Closing, at the Seller’s sole expense, the Seller shall record a Final Plat to legally divide the lands shown as Parcel A in Exhibits B and C (“Final Plat”). The Final Plat shall create two Outlots, as well as Raymond Road, Marty Road, and Mid Town Road rights-of-way, more or less as depicted on the proposed preliminary plat of Midpoint Meadows approved by the City of Madison Common Council on February 13, 2024, and as shown on Exhibit C (“Plat Areas”). The Buyer shall be a signatory, as owner, on the Final Plat. The final design of the Plat Areas will be determined by the Buyer during statutory review of the Final Plat application. 7. Limited Representations and Warranties; AS-IS Condition. Except as otherwise provided in this Agreement, the Buyer shall purchase the Property in “AS-IS, WHERE-IS” condition and “with all faults,” and shall agree that it relied upon no warranties, representations or statements by the Seller, its agents or employees, concerning the Property, including but not limited to the documents described in Paragraph 6, above, in entering into this Agreement or in closing the transaction described herein. Except as provided in Paragraph 11 below, the Buyer’s closing on the acquisition of the Property shall constitute conclusive evidence that the Buyer is satisfied with the condition of and title to the Property.
8. Due Diligence Period.
 - a. From the Effective Date to May 31, 2024 (the “Due Diligence Period”), Buyer may review, test and inspect all aspects of the Property, at its sole cost and expense. If within the Due Diligence Period the Buyer determines, in its sole discretion, that it does not desire to purchase the Property, the Buyer may provide written notice to the Seller of such desire and this Agreement shall terminate immediately.
 - b. If the Buyer does not provide written notice terminating this Agreement on or prior to May 31, 2024, this Agreement shall remain in full force and effect, the Buyer shall accept the Property as-is, and the Parties shall proceed to close the transaction as provided herein.
 - c. The Due Diligence Period may be extended upon written agreement of the Parties.
9. Contingencies of Sale. This Agreement and the Seller’s sale of the Property to the Buyer are contingent upon the following:
 - a. As of the Effective Date of this Agreement, the Seller does not own and control the Property. The Seller shall obtain legal title to the Property by successfully closing with the current owner of record on or before the date of Closing herein, as agreed upon by the Parties.
 - b. The Parties agree that the land area used to calculate the Purchase Price shall not include any existing public street rights-of-way, as described on attached Exhibit A. The Purchase Price specified in Paragraph 3, above, has been calculated based on 67.502 acres, which is net of right-of-way.
10. Access to the Property. The Seller shall facilitate the Buyer’s and the Buyer’s authorized agents, contractors, and engineers access to the Property for the purpose of conducting inspections and testing, including but not limited to, a Phase 1 environmental site assessment of the Property at reasonable times with advance notice to the Seller, who shall in turn coordinate providing notice of the same to the current owner of the Property, it being understood and agreed that such inspections and testing must be done at times and in a manner that does not result in the unreasonable disruption to the current owner of the Property. Further, Buyer shall not be entitled to undertake a Phase 2 environmental site assessment or undertake any invasive testing for environmental purposes at the Property

unless: (i) the Phase 1 environmental site assessment for the Property discloses a recognized environmental condition for which a Phase 2 environmental site assessment is reasonably recommended by the Buyer's environmental consultant, and (ii) the Seller obtains, on behalf of the Buyer, written consent from the current owner of the Property for the Buyer to perform such Phase 2 environmental site assessment. The Buyer shall repair, at the Buyer's sole cost and expense, all damages caused by any of its assessments and inspections so that the condition of the Property is returned to as good or better condition as existed prior to the assessment(s) and inspections.

11. Title Insurance. The Seller shall provide to the Buyer, at the Seller's expense, within thirty (30) days prior to Closing, a commitment from Preferred Title, LLC, of Madison, Wisconsin ("Title Company") to issue an ALTA Owner's Title Insurance Policy in the amount of the Purchase Price upon the recording of proper documents, together with a gap endorsement. The commitment shall show title to the Property, as of a date no more than fifteen (15) days before such title proof is provided to the Buyer, to be in the condition called for in this Agreement, and further subject only to liens which will be paid out of the proceeds of the Closing and to any exceptions acceptable to the Buyer. The Buyer shall notify the Seller of any valid objection to title, in writing, prior to Closing. The Seller shall have a reasonable time, but not exceeding fifteen (15) days, to remove the objections and Closing shall be extended as necessary for this purpose. Should the Seller be unable or unwilling to carry out this Agreement by reason of a valid legal defect in title which the Buyer is unwilling to waive, this Agreement shall be void.
12. Survey. ALTA/NSPS. Any survey of the Property including, but not limited to, an ALTA/NSPA Land Title Survey that meets the Minimum Standard Detail Requirements for ALTA/NSPS Land Title Surveys effective February 23, 2021 that is required to eliminate all survey related exceptions to the title insurance policy, certified as of a current date in favor of the Buyer and the Title Company providing the title insurance described in Paragraph 11 shall be at the sole cost and expense of the Buyer.
13. Commissions. The Seller represents that it has not entered into any contracts with any brokers or finders nor has the Seller obligated itself to pay any real estate commissions or finders' fees on account of the execution of this Agreement or the close of the transaction contemplated therein. The Buyer represents that it has not entered into any contracts with any brokers or finders nor has the Buyer obligated itself to pay any real estate commissions or finders' fees on account of the execution of this Agreement or the close of the transaction contemplated therein. The provisions of this Paragraph 13 shall survive any expiration or termination of this Agreement and shall not merge into any deed delivered and accepted upon the closing of the transaction therein contemplated.
14. Closing.
 - a. Subject to Paragraph 14(b) below, the Closing shall occur on or before June 3, 2024, or such other date agreed to in writing by the Parties.

- b. Closing between the Parties shall occur simultaneously with the closing of the Seller's required purchase of the Property, as set forth in Paragraph 9a, provided the Seller furnish the Buyer with an escrow agreement or closing instruction letter detailing the order and conditions for the two transactions and required documents.
 - c. The Seller agrees to execute and deliver to the Buyer at or before the Closing the Deed conveying the Property to the Buyer free and clear from all liens and encumbrances, excepting the following: Municipal and zoning ordinances and agreements entered under them; recorded easements for the distribution of utility, municipal services; easements; recorded building and use restrictions and covenants.
 - d. The Buyer shall pay all recording/filing fees except that the Seller shall pay the recording/filing fees for such documents as are required to be recorded/filed in order to cause title to the Property to be in the condition called for by this Agreement.
 - e. Real estate taxes applicable to the Property in the year of Closing shall be prorated between the Buyer and the Seller as of the date of Closing based upon the latest known assessment and latest known mill rate.
 - f. The Seller shall be responsible for the payment of any existing special or area assessments, sewer interceptor charges, or any other charges payable to any municipality or utility with regard to the Property as of the date of Closing.
 - g. The Seller shall pay any fees related to the Wisconsin Real Estate Transfer fee and the preparation of the required transfer return by the Title Company due in connection with conveyance of the Property.
 - h. All costs charged by the Title Company to facilitate Closing shall be prorated between the Parties.
