Al -

Just in case I don't make it in time tonight, I want you (and UDC) to know that I am enthusiastically in support of Ale Asylum coming to the Northside. I look forward to seeing what UDC has to say about the proposal. The only concern I have about the site plan is establishing pedestrian and bicycle connectivity between the site and Packers Ave in addition to Pankratz St. I am sure my constituents (and others) will want to walk and bike to the tasting room once it's open, and we are in the midst of improving ped/bike connections in the Packers corridor, so it's really important that this site connect to the Packers side of the lot.

Thanks

Satya
