

Dear City Hall,

I am a young boy that
lives on Theresa Terrace,
I believe that we should
have the community center
on Theresa Terrace because
it will give a lot of the
children a chance to stay
out of trouble and do something
productive when they come
home. While living on Theresa
Terrace I have noticed a lot
of violence in the area that
have impacted the children
on the street, I believe by
building this community
center it will help our
community become a lot
closer and stronger and
it will help the Neighborhood
kids stay out trouble.

Sincerely

Young boy

To Whom it may concern,

I am Writing This letter in support of the purchase of the duplex at 1407 Theresa Terrace.

I have lived on Theresa for 10 yrs and witnessed the struggles the kids have in the area. many of the kids are unattended so they get in a lot of dangerous situations like climbing on roofs, messing with wires for the lights, cable, or phone, harassing animals such as rabbits, skunks, raccoons.

They have too much time on their hands and nothing to do. With a center we can have a homework club, computer lab, home economics, sewing etc.

This will give the kids skills they can use throughout life, bond them together so there will be less fighting and learn to respect each other, adults and others properly we need to show the kids we care about them.

Sincerely yours,
Antonella Davis

Dear Community,

My name is Tamara Allen and I think that Theresa Ter should have a family center for the kids so they can be safe and have something to do after school because I think the streets aren't safe.
