In general the application appears to be that of a restaurant. I have left a message with applicant as we have played phone tag.

Application is not complete with items 46, 47, 48, 51, 52, 53, 58 not completed. These are applicable to the operation of a restaurant.

Should the applicant answer the questions favorably in relationship to a restaurant operation, I would have no concerns.

I will not support an entertainment license at this location until such time that the business is established as a restaurant.

I would seek condition that license be operated as a restaurant at all times and meet the definition of a restaurant.
