Budget Advanced Technologies

Project Strengths:

- Mission seems very relevant to this project
- Job shadowing - have not been able to deliver this could be part of this project for us
- have experience w/ some of it

Ways Project Could be Stronger:

- Could work (customers w/ value of work) experience in Madison & specific collaborations

Questions:

- why BAT LLC vs. other local vendors?

Encourage/Discourage?

Yes ... but anticipate open process to seek vendors for implementation

Committee Member: Benson

Presenter/Organization Name: Dream

Rob Carter

Project Strengths:

impressive technical expertise
proven experience with network delivery

Ways Project Could be Stronger:

Buy-in from community/neighborhoods
organizations

Information about what happens after delivery - outcomes? continued
support?

Narrower / more realistic(?) scope

Questions:

tech clubs - would these provide support? What happens after
the network is physically installed?

Encourage/Discourage?

encourage - need more information about what kind of
community involvement you'd have

Committee Member: *JSpeide Barn*

Presenter/Organization Name:

Madison Dream Project

Project Strengths:

I like the idea of centralizing the architecture project mgmt, but I don't know if this is what you intended.

Ways Project Could be Stronger:

Need some details on what you intend to do

Questions:

*Two pronged approach
Project mgmt -
Job Shadow/training?*

Encourage/Discourage?

Encourage with above centralized arch project mgmt

Committee Member:

Teresa Holmes

Presenter/Organization Name:

Madison Dream Project
Robert Carter -

Project Strengths:

- + costs could be minimized because of existing partnerships or access (available) points
- + could tap into former plan developed by others, expand on it to increase (potentially) measurable outcomes
- + has ideas of/on how to bring others from different LOB, work fields + non-profits together to work
Scholarship etc..

Ways Project Could be Stronger:

- partnering with others to develop ways to deal with (tackle) the "how" in getting access to the selected neighborhood
- The team member stated their firm does well with helping communities

Questions:

Encourage/Discourage?

I think they could be a good help to the ~~partnering~~ partnering groups based on what they previously provided to the existing community

Committee Member:

Paulson

Presenter/Organization Name:

Madison Dream Project

Project Strengths:

Hands-on tech

Job-shadowing

Ways Project Could be Stronger:

More details
(I know it's early)

\$150K doesn't go far - how much can you realistically build?

Questions:

Is the Madison Dream Project Foundation a legal entity, or is it a placeholder for the proposal?

Encourage/Discourage?

Discourage - we're unlikely to fund a design stage followed by an implementation fund

Maybe submit as a partner or something more specific?

Committee Member:
Staff: Paul K.

Presenter/Organization Name:
Madison Dream Project
--Robert Carter

Project Strengths:
Significant infrastructure background.
Relationship with DaneNet.
Tech club concept.

Ways Project Could be Stronger:
Need specific neighborhood recommendation(s).

Questions:
Concept seems to be an overall approach—could use specific recommendation for neighborhoods.

Encourage/Discourage?
Encourage—but need linkage to specific areas. Pilot projects in general need to serve as proof of concepts.
