

Are You On Track For Retirement?

ICMA-RC's online retirement readiness tool, **Am I On Track**, shows you how likely you are to reach your retirement income goal and provides changes you can make to get and stay on track.

In addition to a retirement readiness score, you'll receive a proposed:

- ▶ savings rate
- ▶ retirement age
- ▶ investment mix

You can receive more personalized recommendations by incorporating additional personal or financial information, or enroll in the advisory service option that's right for you by clicking the "Improve Your Score" button.*

Want to improve your score?

1. Add or update the advisory specific information to improve your score, such as:

- ▶ Personal savings
- ▶ Outside assets
- ▶ Pensions
- ▶ Social Security (an estimate was included)

The screenshot shows a form titled "Social Security" and "Pension". Under "Social Security", there is a "Participant" label, a "Annual Social Security Estimate" field with the value "39,000.00", a "Start Age" field with the value "65", and a "Social Security Override" checkbox which is checked. Below this is a link that says "View Social Security amounts for all start ages". Under the "Pension" section, there is a "Delete Pension" link, an "Annual Pension Amount*" field with the value "25000", a "Start Age*" field with the value "56", and an "Include COLA Adjustment" checkbox which is checked.
