

Rocky's Liquor West Disciplinary Action  
4217 W. Beltline Highway

The City filed an 11 count complaint in Madison Municipal Court against Rocky's Liquor West in August 2017 for violations that occurred in January and February 2017.

Rocky's Liquor was represented by Attorney Nate Zolik in the municipal court prosecution. The parties settled the municipal court prosecution in early September as follows:

The City agreed to dismiss Counts 3, 4-7, 8 and 11 in exchange for Rocky's entering a no contest plea to Counts 1, 2, 9 and 10. Rocky's agreed to pay a forfeiture in the amount of \$2,253.00 (includes all costs and fees). The Counts Rocky's pled to are:

Count 1: On 1/17/17, violated a condition on the license by selling airline size bottles of intoxicating liquor.

Count 2: On 1/14/17, violated a condition on the license by selling airline size bottles of intoxicating liquor.

Count 9: On 1/18/17, failed to have a licensee or person with operator's license on the premise.

Count 10: On 2/20/17, failed to have a licensee or person with operator's license on the premise.

There are four dates/violations for point assessment. Each violation of a license condition is 25 points. Each violation for failing to have licensee or person with operator's license is 50 points. Thus, the **total point assessment for this case is 150 points.**
