

Pedestrian Flag Holder 2021 art selection

4-5-2021

Started in 2015, this project's purpose is to replace existing round PVC flag holders with holders that display art and provide clear language use instructions.

Details:

1. Project was developed and is managed through a joint effort with Safer Communities, The City of Madison, Sector67 and community volunteers.
2. All financial support is from Safer Communities in Madison.
3. Artists are paid a one time licensing fee of \$250 for the use of 2 artworks from their existing portfolio.
4. **Due to the administrative effort to communicate with each artist we only work with artists who have 2 suitable artworks. We do not use 2 separate artists for one crossing.**
5. **Each artist below is identified with a number.**
6. Please choose art for 8 crossings from the 50 art options. (8 artists, 16 arts). I will only produce 6, but some artists may not wish to participate.
