Title

Repealing Section 5.02 of the Madison General Ordinances.

Body

DRAFTER'S ANALYSIS: This ordinance repeals Section 5.02 which created a Traffic Bureau. There is no statutory requirement to have a Traffic Bureau created by ordinance, nor are other specific aspects of the police department created by ordinance. All aspects of this Section are addressed and covered under current ordinances and CBAs. The repeal of this section has no impact on Madison Police Department operations or personnel, it should be viewed as a housekeeping change through the elimination of an unnecessary ordinance.

The Common Council of the City of Madison do hereby ordain as follows:

1. Section 5.02 entitled "Traffic Bureau" of the Madison General Ordinances is repealed.

EDITOR'S NOTE: Section 5.02 entitled "Traffic Bureau" of the Madison General Ordinances currently reads as follows:
