Fiscal Note

The Parking Utility anticipates that there will be little net impact on its overall parking revenues, as lost permit revenues will be recovered from the meter revenues.

Title

Amending Section 12.1385(54) and creating Section 12.1517(12) of the Madison General Ordinances to remove a portion of Broom Street from the Residential Daytime Parking Permit program and establish it as a Combination Two Hour And 25 Minute Parking Meter Zone.

Body

DRAFTER'S ANALYSIS: This amendment removes a portion from the Residential Daytime Parking Permit Program in order to reflect the necessary changes to implement metered on-street parking. This is to accommodate the need for short term parking in an area that is becoming a mixed-use commercial and residential area.

The Common Council of the City of Madison do hereby ordain as follows:

1. Subsection (54) of Section 12.1385 entitled "Streets Designated for Residential Daytime Parking Permits" of the Madison General Ordinances is amended to read as follows:

"(54) On the east side of Broom Street from ~~Mifflin Street~~ Washington Avenue to Doty Street."

2. Subsection (12) of Section 12.1517 entitled "Combination Two Hour And 25 Minute Parking Meter Zones" of the Madison General Ordinances is created to read as follows:

"(12) On the east side of Broom Street from Mifflin Street to Washington Avenue."

EDITOR'S NOTE: The Transit and Parking Commission must hold a hearing and make a recommendation on the proposed change before this ordinance may be adopted by the Common Council.
