Body

Public Health-Madison and Dane County (PHMDC) proposes accepting funding from the Wisconsin Department of Health Services on behalf of the Division of Public Health to support the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC). Specifically, PHMDC proposes accepting a total of \$15,285 for program related activities described below. Under the terms of the merger agreement, the Board of Health for Madison and Dane County may authorize PHMDC to accept and spend grant funds (IGA, VII, F, 1-3).

In addition, PHMDC was previously awarded funding from the Wisconsin Department of Health Services on behalf of the Division of Public Health to improve the WIC clinic environment and implement a Breastfeeding Peer Counselor Program. Under the terms of the merger agreement, the Board of Health for Madison and Dane County may authorize PHMDC to move funds within appropriations during a fiscal year

(IGA, VIII, G).

- Breastfeeding Peer Counseling Program: Transfer a total of \$1,830.02 from Personnel to Computer/Hardware Supplies to align with actual spending needed to begin the program.

NOW, THEREFORE, BE IT RESOLVED that the Board of Health for Madison Dane County, on behalf of Public Health-Madison and Dane County, authorizes the Director of Public Health to accept \$15,285 for the Special Supplemental Nutrition Program for Women, Infants, and Children;
