

Legislation Text

File #: 60707, **Version:** 1

Title

The Library Board hereby gives discretionary power to the Library Director to suspend or make small modifications to existing policy, only when the suspension or modification is made as an accommodation to restore services or access to resources due to COVID 19 conditions. Any suspensions or modifications will be in alignment with the directives from Madison and Dane County Public Health. The Library Board will be informed promptly of the changes as they occur.
