Title

Accepting final report and proposed solutions of Stricker's/Mendota Watershed Report. (19th AD)

Body

City Engineering is bringing the first completed watershed study before the Board of Public Works. Watershed Studies will be completed for the City's 22 watersheds over the next 5-10 years. This study is called the Stricker's/Mendota Watershed Study. The Stricker's/Mendota Watershed is located on the west side of the City of Madison. The Watershed Study Report describes the methodology, approach, and results of the watershed study.
